

君と結わえる

Bound To You

two
months
ago

Haruka-chan
started
working at
mama's
general
store

A girl
who seems
reserved, yet
talks without
hesitation.

That
was my
impression
of her

Except,
she
seems
so

Is it really?

All right then,
Non-chan ♡

Non-chan

unconnected to me.

Ah, then, why don't we both take care of it afterwards?

That way we'll both have time for lunch later.

Okay

This is what you usually do, right?

I'm done with the packaging, so I'll finish up here afterwards.

You can go on to lunch.

Oh, no, not at all.

But... isn't the back more boring?

Sorry about working in the back so much.

You prefer being in the store, too, right, Hanuka-chan?

Tear

It's all very charming to me.

Well, I do like sundries and cats and things you know?

And the sales labels and mountains of boxes behind the counter too.

But

And being
stylish and stuff
is expensive,
isn't it?

You always like
to only after my
hand-drawn

Ah..
I see.

more
than
that.

I wanted
this job
because there's
somebody I like.

Are..
Are you
doting him?

No

I just have
a crush

I can't

Err You
should just
confess,
then!

Is he married?

No,
I don't think
I have
competition...

But, I
definitely

can't say
anything.

and I noticed
for the first time

As she said that,
I saw the side
of her face

When I'm
with this girl

I feel
conscious
of a self
I don't
want to
see.

how pretty
she really is...

I'm starting
to feel so
embarrassed.

I wonder if
that's why.

I don't
really have
any notable
features,

and there's
nothing I'm
especially
interested in...

To have
Haruka-chan
infatuated...

I wonder
what kind
of person
he is...

Thanks

...Not that
it's any of my
business...

He must be
handsome
and on top of
that a true
gentleman,
I suppose...

Non-chan

The
shop's
closed
today.
What else
should
I do?

This is
such a
strange
feeling...

I wonder
why today

I really
don't feel
embarrassed

being with
such a
pretty girl...

As Haruka-chan.

.....

I'm with
her, but

start to
close in
on me.

So many
strange
feelings

it's so
painful...

I'm not
sure if
I can
take it.

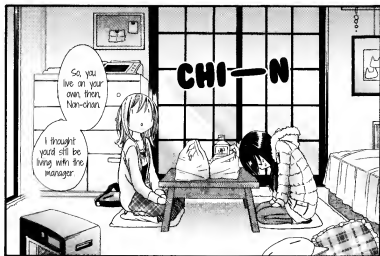

Perhaps
we could
have dinner
there?

Say,
there's a
cute French
restaurant
on the west side..

Eh?

No..

Non-chan,
you don't have
your shift today,
do you?

Close

THUMP
THUMP

Fwish

Yeah...
My parents' house practically became the store's warehouse, you see

All right

These jeans aren't comfortable, so I'm gonna change.

Just kidding guys, but

Hahaha

Ah

All that even though she really wanted to go to that restaurant

All right

W-We can eat together at my house! We'll have convenience store takeout!

Why did I do that?

Since
you're changing,
I'll take a stroll

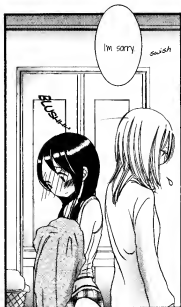

Non-chan,
wait!

It's a bit
too hot for...

Ah...

Okay...

I'm sorry

swish

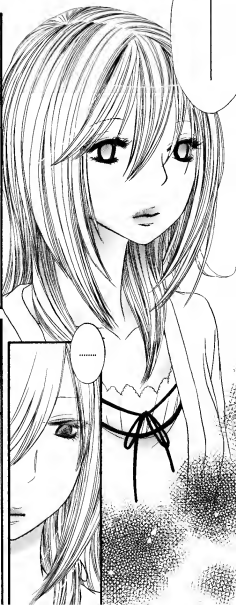

Blush

Somehow

that response
she just gave

makes this
even more
embarrassing...

.....

ever
wear skirts,
do you?

Even
though... you
have such
pretty legs

I can't
take this...

stop

...You don't

No one
wants to
see them.

It feels
as if
a boy's
talking
to me...

I can't tell if this
atmosphere...

is
some-
thing
I can't
stand.

Jale

This is so
painful.

I do.

.....

I could

If
only

be only
just,

a little
cuter...

Because
somehow
I'd come to
detest myself.

A
little
more...

"useless."

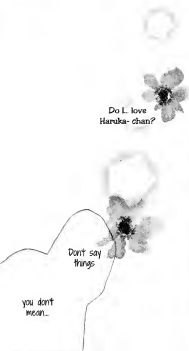

"I'm..."

of her
feelings

Even if
just a
tiny bit

And if I were
just a bit more
fun, a bit more
attractive...

Do I love
Haruka-chan?

Don't say
things

you don't
mean...

were for me,
it filled me
with hope...

even if
it were
with her

it could never
come true...

Would it
be okay
if I really
thought
that?

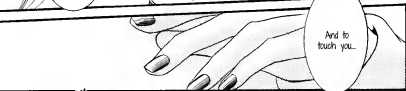

There's
nobody who's
interested
in me.

Haruka-
chan, you're
kind, but...

this
is too
painful
for me

Because, if
this is love

Haruka-
chan?

Ah

everything
that I've felt?

Would
you let me
tell you

Kiss

Yah...

Haruka-chan

What is
this?

Wait

I'm...

GRAB

Why is she...

Hoi

Non-chan, I

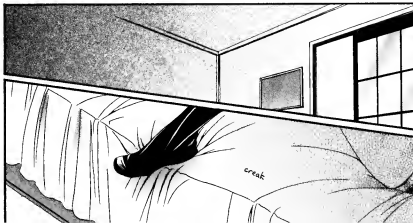

TOSHAAA

...want you

I went completely speechless.

Things
I want to
make sure
of...

There's
truly
so much
I want you
to hear.

Haah

Non-chan...

In
words

...

But

Mm

Is this
okay?
That
husky
voice,

those
quivering
fingertips..

They
seemed to
give me an
answer..

You..
You can.

Because..
I love..

...THUMP

...I love you

Non-chan...

Mm...

Ahh

Ah

That was a signal.

Haruka-chan.

This girl
I thought
wouldn't
be able to
connect
with..

This
beautiful,
lovely

...woman.

From the beginning,
I'd given up on love,
so I wouldn't be hurt.

Much
more
than I..

I thought I gave up, but still I wanted her...

Ahhh

Ha

Ahh

Haruko-chan

Squeeze

Non-chan,
your legs
really are
so pretty

Pervert

Ah

Ah

THUD

That is,
if it's okay
with your
family...

Since...
We're
dating
now...
(I think)

thump

thump

A-Also,
you don't have
to be so formal,
you know.

Hein

Haruka-chan?

SHOCK

Squeeze

Uuuu

Non-chan...
♡

..I'm so
happy

that I took
that risk to
apply for
this job

Being a girl,
I might not have
a chance, but
I'm glad

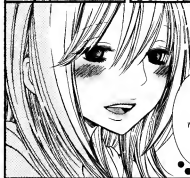

I didn't actually
give up

For telling that
to the me who
couldn't do
anything.

I love you.

that connection
Haruka-chan
tied to me.

It looks so
great on
you!

Now, I'll
bind up even
stronger

End
